on the loft

There's always been something about lofts that turn me on. Maybe it's their industrial nature, or perhaps it's the openness and the feeling that there's no place to hide. Or maybe it's because everything is technically part of the bedroom. I've lived in a large loft for most of my life, and I've had dozens of women over and taken them in every one of the various corners and areas of the apartment. But the chick I had a couple of weeks ago probably will go down as the most memorable.

Isabella always played the good girl. Went to church every week, only a couple of long-term relationships since high school, and most recently engaged to my best friend, Nick. When they came over a couple of weeks back, I thought they just wanted to chill, and nothing really could have prepared me for what happened. They'd been over for a couple of hours, and we were all relaxed on the couch when Nick decided that he needed more drinks. When he went out for a run, Isabella decided to stay behind to start cooking dinner, she said.

Almost as soon as the door closed behind Nick, though, Isabella threw herself at me, jumping on my lap, and furiously leaning in to make out. Now, I've never been one to refuse, but this was Nick's fiancée, so I pulled back and let our eyes lock. Hers were full of fire,

passion, and maybe even rage. I asked if she was sure, and she responded by ripping my shirt off. I leaned up and returned her kiss, realizing it wouldn't take Nick that long to get the drinks. I picked her up, holding her easily in my strong arms, and led her toward the large kitchen island. She had told him he was going to help prepare dinner, after all.

She ripped off her clothes in a trail along the way and by the time I laid her back on the island, she was showing her large boobs and her fingers were playing with her pussy for me. Not that I needed

much encouragement. I'm pretty much always ready to go, and the moment I had her down, I was pulling off my athletic shorts and showing off my enormous meat. Her eyes bulged to see what I was packing, almost as though she might have heard rumors, but never believed them. I jerked it off a couple of times before I stepped forward and just slid inside.

Isabella was warm and wet, ready for me, even as she squeezed back against my meat, probably never having anything quite as big inside before. I pounded her hard and furious, each thrust imagining that Nick might walk in before the next one, which only drove me. She was screaming loudly, her cries echoing around the large, cavernous apartment, and I only took her screams to push me harder. It wasn't long before I joined her screams, unleashing a huge flood inside my best friend's fiancée, pulling out and sending several more rushes up over her breasts and face. She licked what she could from herself and the tip of my dick (getting another small load from that) before she asked me for something unusual.

I would've sworn that the Isabella I knew would've been ashamed of letting me have her. Instead, she told me she wanted me to help her with preparing herself for Nick, even with my jizz both in and all

She ripped off her clothes in a trail along the way and by the time I laid her back on the island, she was showing her large boobs and her fingers were playing with her pussy for me.

over her. She wanted me to make her the dinner. I quickly agreed, following her instructions to cover her with chocolate sauce, whipped cream (which was a good cover for my cream), and a few other food items. She wanted banana slices over her nipples and another to hold between her legs as the smallest, thong I'd ever seen. By the time we were done, I had put my shorts back on and threw an open shirt on and she was redressed as the most luscious sundae I'd ever seen.

Nick showed up just a few minutes after that and it took him a bit to realize what had happened. Isabella was still on the kitchen counter, while I was back at the TV like everything was normal. But when he saw his fiancée, his eyes went wide as he looked between us. I reminded him that she wanted to make dinner for us, and this was what she decided on. He headed over and started stripping off his shirt, taking his time to lick away some of the treats before sliding himself inside. I watched, touching myself, until they invited me over. All night long we went, moving from the counter to the shower to the couch to the bed, sharing the one thing I thought I'd never get from my best friend, all at her demand.

– Nick's friend, NYC

rocket, now

My girlfriend loved her little 'pocket rocket' and said she used it all the time we weren't togeth-

er. I asked why she didn't use it when we were together. She told me that she wanted a bigger one to use with me.

So I suggested we ride over to the head shop where they sell sex toys too. She readily agreed. She wanted an eight or nine-inch realistic-looking vibrating dildo with variable speeds and a suction cup on the bottom. I was a little surprised by her very detailed description but let it go. We bought a really bright purple one with lotsa nobs and ridges.

In the car, she took it out and put in the batteries. Turning it on, she looked at it and smiled at the shriek and quickly pulled away from it with her hips. Then she pushed it harder onto herself. She stopped and turned it off, telling me we can go to the park

since it was just a mile or so from where we were. When we got there, she took no time pulling her shorts and panties off. She sat on a park bench and started rubbing it on her wet slit. As she rubbed up and down, she would put it in slowly at first. Then she started picking up speed.

I couldn't stand it any longer. I pulled my shorts off and joined in on the fun. I sat next to her and she stroked me with her other hand. She didn't have to pull on it very long, watching her fuck that toy and scooting closer to the edge of the chair. Her legs were opening themselves wider and she was pushing it in deeper. I came and shot a load five feet in front of me. Seeing that, she almost laughed. Her laugh turned into a long sigh and her nipples hardened up like two pencil erasers under her tee shirt.

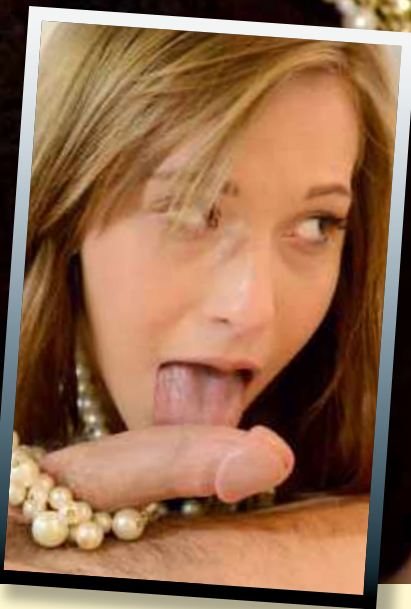

Then she closed her eyes and started mumbling with the vibrations. Her hips pushed harder into the vibe and she pushed it in deep as she could. Bobbing up and down in that position three or four times, she pulled it out and a huge drop of lady cum spilled out onto the ground. We gathered ourselves up and headed back to my place to do the wild thing.

Since then, she has become quite a happy fucker after that. Let me tell you guys, if your woman doesn't have a vibe, I suggest you get her one, now!

– Marc J., LA

I couldn't stand it any longer. I pulled my shorts off and joined in on the fun. I sat next to her and she stroked me with her other hand.

Molly Manson

Molly thought she was going dancing tonight, but after showing off her stunning dress, her man had other plans. While she goes to get the pearls he gave her, he strips and waits for her. Coming out with quite the shocked face, she takes those favorite pearls and wraps them around him, pleasuring him as she goes.

SOPHIA

My new boyfriend just came home from work and I wanted to fuck him. I stripped him down and got to it. I bit my lip as I felt my body shake. I squeezed my nipples together as I ground further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. I collapsed onto the bed, my body still trembling from the orgasm that washed over me. We had the best night's sleep that night.

FALLON

My man and I enjoy watching porn together. One day, I decided to put on a really hot video. To my surprise, the movie was great (okay, it really wasn't that good) and filled with beautiful women. I couldn't believe it, but what was harder to believe was the size of the guys' cocks in that video. It's like they were the size of my forearm. I don't know how these girls took it, and some took it all! We were laying on the couch together but he didn't touch me until a good half hour into the movie. I couldn't take it anymore, so I went down on him. We eased into sex slowly and had a good (okay, great) time.

MISHY & MINA

We've been best friends for a few years, ever since we met in college and had our first lesbian experience together. Somehow, we just clicked, especially since one of us grew up on a farm, and the other in New York City. At first, we just hugged and kissed and fingered each other. Then we were sixty-nining and scissoring and that was fun. Soon we graduated to vibes and dildos, but now we've come across our best toy – and that's the strap on. Wow is that fun!

Hannah takes it hard

Coach Sheffield's cryptic text message – we need to talk – had me on edge as I approached his office. Tom Sheffield was my boss. He was the head women's soccer coach at Carstens College, a private liberal arts school with a hefty price tag. I was his assistant, dividing my time between coaching and working on my master's degree through an online program.

My boss sat at his desk, peering at a piece of paper with obvious distress. I rapped lightly on the door. "Good morning, Tom. Sorry I'm late. Traffic was a nightmare."

He ushered me inside, sighing wearily as he slid the paper across his desk. I dropped into the chair across from him and proceeded to read. The news was not good, not good at all. Hannah Hotchkiss, our star player, had failed her drug test. She had tested positive for marijuana, a banned substance according to our governing body.

"Damn," I muttered.

"You can say that again." My boss leaned back in his chair and shook his head. "Know what this means?"

"Automatic dismissal, right?"

"Effective immediately."

I didn't know what to say.

"So much for the remainder of the season," Tom continued. "Without Hannah we're finished."

He was right. Hannah accounted for a whopping ninety percent of our goals. It was a no-brainer. You can't win if you can't score. We were doomed with a capital D.

"Does she know?" I asked.

"Not yet," Tom replied.

"She'll be crushed."

"Well, that's what she gets for smoking pot."

I disagreed with the governing body's policy regarding

marijuana. The drug was hardly a performance enhancer. Hannah's getting high didn't grant her an unfair advantage. Still, I didn't share this opinion with my boss. Tom was a pretty conservative fellow, and I didn't want him to think that I condoned such behavior.

"I'll let you tell her," he said.

"Me?"

"You're not so much older than Hannah. She'll take the news better from somebody closer to her peer group."

"Look, Tom, I appreciate your confidence in me, but I'd rather you—"

But there would be no weaseling out of this one. My boss had made his decision. Hannah Hotchkiss had to be dismissed by the end of the day.

And I was given the dirty work.

My repeated calls and texts to Hannah had gone unanswered, so Tom had consulted his files and given me her residence hall and suite number.

Rincon Hall was the women's athletic dormitory. The modern steel and glass structure had been completed over the previous summer, just a few weeks prior to the start of the fall semester. It was an architectural marvel. But I couldn't have cared less as I entered the lobby and boarded the empty elevator.

Ascending to Hannah's floor, I silently berated the butterflies in my stomach. I imagined an inconsolable Hannah sobbing uncontrollably. She was attending Carstens on a full ride athletic scholarship. Of course the scholarship would be revoked. No doubt she would have to withdraw from school.

The elevator stopped; its doors parted to reveal a quiet carpeted corridor. Hannah's suite was easy to find. I stood

there outside her door, swallowing the lump in my throat. It could be worse, I thought. You could be a policeman come to tell a mother and father that their only child has died. This mental game failed to soothe me.

I took a deep breath, steeling myself for the unenviable task ahead.

Then I knocked.

Hannah came to the door in a T-shirt, athletic shorts, and sandals. She seemed genuinely surprised to see me.

"Hey, Coach. To what do I owe the pleasure?"

"Sorry to bother you, Hannah. I tried your phone but didn't get a response."

"Oh, I didn't even realize it. I've been working on an English paper for hours." She stepped aside, welcoming me into her suite. "Is everything okay?"

"Why don't you sit down, Hannah."

She closed the door and leaned against it, searching my face for some sort of clue. It didn't take her long. She was a smart girl. "It's about the drug test, isn't it?"

Hannah's reaction was not what I had expected. She took the news shockingly well. Hell, she actually seemed relieved about the whole thing; as if a great weight had been lifted from her shoulders.

"To be honest, Coach, I'll be glad to get the hell out. Not because of soccer. That's been great. But Carstens is too hard. I have to kill myself just to maintain a C average. And don't even get me started on the dating scene."

"The dating scene?"

"Have you seen the guys at this school? Talk about dork city! If I stay here much longer I'll end up playing for the other team."

I laughed at Hannah's candor, finding her honesty immensely refreshing. I had never seen this side of her personality. She was hilarious and, after working on her paper for hours, more than ready to blow off some steam. She whipped out her bong and fired it up, taking a massive hit

which filled her suite with pungent smoke.

"Your turn," she said, proffering the goods.

What the hell? I mused, taking the bong and lighter as I joined her on the futon. I hadn't smoked in a few years, not since my undergraduate days. I coughed like crazy. But it was worth it.

Especially when Hannah said, "Pot makes me horny."

Dating players was strictly forbidden, of course. Coach Sheffield had warned me about this when I had accepted the position. Thus far I had managed to restrain myself. But it was never easy. The nubile young soccer players were a constant temptation, especially the more brazen of the bunch.

Hannah had never been the flirtatious type, at least not in my presence. Now, having been officially cut from the team, she was free to do as she pleased. Rigid team rules no longer applied to her. And as for me, well, I was on longer her coach. The invisible barrier between us had been lifted.

Hannah placed the cashed bong on the floor. "How do you feel?"

"High," I said.

Before I knew it she had melded her lips to mine. I went with it, probing with my tongue as she pawed at my clothes with a sense of urgency. It wasn't long before my coach's attire—warm up pants, Carstens College sweatshirt, and running shoes—hit the floor. Hannah added her clothes to the mix, topping the pile with a pair of cotton boy-short panties.

Stoner's grin intact, she lay back on the futon and rubbed her kitty. I admired her neatly trimmed landing strip, watching her with something akin to awe as she spread her legs and said, "Eat my pussy, Coach..."

"I'm not your coach," I muttered.

Her dreamy smile widened as I moved my head between her thighs. Hannah's pussy tasted fine; inhaling its

heady scent, I licked and lapped, nibbled and prodded. She arched her back, cooing delightedly when I serviced her clit.

Hannah breathed rapidly, rotating her hips lewdly as I titillated her with my tongue, working her into a frenzy. Her excitement bolstered my own, making me harder and harder. I couldn't wait to bang her in earnest. Still, I stuck to my present task, intent on eating her sweet peach as a preamble to the main event.

Wrapping her legs around my head, Hannah ran her fingers through my hair, thrusting her pelvis as she did so. I sucked her clit fervently, sucked it until she came with a shiver and a prolonged sigh.

I raised my head, all smiles as I told her to flip over. Hannah complied, assuming the doggy position at the end of the futon. She placed her forearms atop the armrest, watching me over her shoulder as I maneuvered behind her tight ass.

Hands on her hips, I entered with a forceful jab, sinking my cock into the depths of her cunt. Hannah gasped. I thrust, plunging in and out, banging her like a battering ram. The futon creaked in tandem with our efforts, threatening to break apart as it shimmied and shook. I wondered if Hannah had fucked on it before, fucked one of those dork classmates she had mentioned, perhaps some townie. Had I bothered to inspect the fabric I'm sure I would've found several cum stains.

Determined to add my ball sauce to the palette, I pounded her pussy harder and faster. This went on for some time before we switched things up...

Assuming the standard sitting position, I stroked my cock slowly as Hannah straddled me. She shooed my hand away, using hers to guide my prick into her cowgirl cooze. Properly impaled, she wasted little time.

I pumped into her, matching the frenzied movements of her hips, meeting her thrust for thrust. Her perky B-cup

tit's were at eyelevel, a tantalizing treat for my viewing pleasure as they jiggled in my face. Hannah moaned, upping the pace of her pogo-motion, bouncing up and down in my lap.

Cowgirl was her favorite position, I reasoned. It showed in the determined expression on her face, the exuberance with which she rode my rod.

I had reached the point of no return, my prick threatening to explode as Hannah, aware of my impending release, climbed out of the saddle and knelt before me. She devoured my glistening shaft hungrily, wrapping her lips around me while pumping her head up and down. It didn't take long.

Not sure if she wanted to swallow, I groaned my warning, giving her ample time to disengage. But she kept right on sucking, bobbing her head even faster as I detonated like a pipe bomb, blasting her throat full of spunk.

"Take care of yourself, Hannah Hotchkiss," I told her after we were both dressed.

"Same to you, Coach. And thanks for everything. I hope you don't feel like I let everybody down."

"We'll make it," I said, turning to leave.

I hadn't even made it to the door when she started re-packing her bong.

Pleasantly stoned and freshly fucked, I walked across campus to the administrative wing of the athletics building. Coach Sheffield sat at his desk, thumbing through a glossy equipment catalog and nursing a cup of coffee.

"It's done," I told him.

He peered at me. "How did it go?"

"Not so good."

"How did she take it?"

"Hard," I said. "She took it really hard."

"I hate that."

"You and me both."

But it was a lie. I didn't hate it at all. Hell, I had loved every marvelous minute!
